CORRECTION

Incorrect Date.—In the Original Contribution entitled "Environmental Tobacco Smoke and Lung Cancer in Nonsmoking Women: A Multicenter Study," published in the June 8, 1994, issue of THE JOURNAL (1994;271:1752-1759), an incorrect date appeared. On page 1752 in the third sentence of the "Methods" section, the date should read December 1, 1985, not December 1, 1986.
